Highlights

3x Canada Wide Science Fair Attendee

2017 - 2019 - 2020

Been in attendance of the Canada Wide Science Fair for three of the past five years. My latest project was based around a machine learning algorithm that could signal osteoarthritis within the kneecaps through a mobile application.

98% Average in Grade 11

Swift Current - September to Present

Averaged a cumulative 98% average in all Grade 11 courses. Currently averaging a 95% in Grade 12 courses.

CEMC Cayley Award and TED Rogers Innovation Award

Swift Current - May 2019

Achieved the highest mark for the Waterloo-based math contest at SCCHS for the Cayley (Grade 10) and Fermat (Grade 11) category. Also have won the TED Rogers Innovation Award for my work done on my 2019 CWSF entry.

Extracurriculars and Volunteering

Swift Current - September 2017 to Present

Involved in both the SCCHS soccer and badminton teams. Also a member of the business club, debate team, and robotics club. Regularly volunteer my time at elementary basketball games as a scorekeeper. Have also participated in SHAD, an annual, nationally run camp focused on STEM and entrepreneurship.

Recent Education

Swift Current Comprehensive High School

September 2017 - Present

Central School

September 2015 - June 2017

Westminster Woods

September 2011 - June 2015
